Inside this issue:

Thank you, Heralds!

I'm taking this opportunity to thank all the Heralds who have worked so hard to make our Christmas Show such a success. Those thanks go to each of you - every one - who contributed so much time, energy, and thought. You sold tickets, wrote news releases, visited retirement communities, gathered props, practiced and practiced, moved risers, did script work, rehearsed some more and on and on.

Everything you did as individuals contributed to the great success and enjoyment that all of us shared.

You each make it great to be a Herald.

Thank you!

Bob Morrissey

tickets to the program at significantly reduced prices. Many participating Social Agencies within the County then offer these tickets to many qualified, needy families at a cost of only one dollar each. This provides these families with the opportunity of enjoying some of the finest events produced by leading performing arts organizations around the Tampa Bay area. Each of these fine contributing arts organizations provides a brief description of the time, date, venue, and show content. The Ticket Subsidy Program then produces a publication from which the families personally choose the performance that most appeals to them.

The Heralds are very convinced that this is an excellent way to impact their community. And, the chorus has already received a special letter of thanks from the Arts Council of Hillsborough County applauding their continued dedication to community outreach and their support of the important work of bringing the performing arts to every family of Tampa Bay.

Even though we just finished Thanksgiving, we still have Christmas, New Years and Valentine's Day to get through, it's just not time for thinking about Valentines Day. HoH will once again be forming quartets to deliver the usual singing Valentines on the 14th (including the evening).

We will need your help!

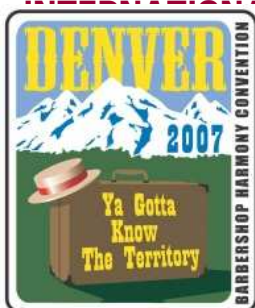

- If you can assist our Valentines Day project coordinator in the behind-the-scenes work, please let him know very soon.
- If you would like to sing in a quartet for that wonderful day, let him know right away. *(And don't forget to make plans early, to be absent from work that day!)*
- Soon, we will make advertising materials available so you can help us promote the Singing Valentines project in the bay area.

GUEST NIGHT with the HERALDS

Tuesday, December 5th - 7 p.m.

HoH is planning a great evening of fellowship, fun, and some surprises for the first rehearsal night following our annual Christmas show. We're anticipating many guests and are even making plans to arrange for auditions and first-time quartets. Every Herald ought to make plans to be on the risers with us for this special night! If you've been away awhile, this is the perfect time to get back into things with us. If you know someone who loves to sing and who would enjoy a fun evening learning about our hobby, please plan to bring him (or them) for the Guest Night on December 5.
