L. to R.—

Bill Cain, Bass; Harlan Wilson, Baritone; Bob Franklin, Lead; Gene Cokeroff, Tenor.

BIOGRAPHICAL SKETCH

The Sun Tones were organized in 1958 in Miami, Florida. They are Sunshine District Champions and International Finalists of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, (Inc.).

This Quartet has become famous for its warm stage appeal and smooth song styling. Their repertoire combines a pleasing blend of traditional and modern, including familiar Gay 90's Melodies, Roaring 20' Rythms, Madcap Comedy and Popular Songs of today.

The Sun Tones are no strangers to a Tampa audience having won their District Championship here last year, and made their second appearance before an enthusiastic Barbershop audience at last year's Harvest of Harmony.

It is with great pride and pleasure we welcome back . . . THE SUN TONES.
